

Greater London North Scout County

COUNTY AGM

THURSDAY 12 JUNE 2008

**SHERIDAN HALL, SCOUT PARK
(Gordon Road N11)**

7.30pm for 8.00

You may not think this event should be a priority in your diary but it's your chance to:

- Catch up on County achievements in 2007, its financial status and its plans for the future
- Influence the movers and shakers in putting together the County's strategies and programme of events
- Listen to Terry Chimes who was a Scout as a kid and then found fame as a drummer with The Clash and other major bands. Terry has just, with Jack Petchey, been appointed an Ambassador for Scouting in London.

The County Team look forward to seeing you there: no need to book.
