

Badges and Awards at Home

Scouting from Home

Leaders and supporters are encouraged to support scouting from home by:

- Customising (editing) resources for local use, by including section specific contact details and content
- Using appropriate online channels to make edited resources available (e.g. Online Scout Manager, existing section or Group Facebook page or groups etc)
- Using appropriate online channels to encourage participation by youth members and to encourage parents/carers to support participation
- Using regular on-line meetings to recognise completion of badges or challenges
- Organising local challenges to be completed at home or online

Scouting from Home Resources

Note that many of these resources will need editing (e.g. to include contact details for leaders, section specific requirements etc)

General

- [Scout Association On-Line Programme Planner](#) (note that many of these programme ideas will need adapting for Scouting from Home)

General Scouting Programme

The following links are provided as general programme resources. Leaders may wish to review these badges and awards to prepare resources for Scouting from Home.

Parents/carers may also wish to look at the wide range of badges and awards available and choose to support their child(ren) in completing the requirements of these badges and awards. Please check with your child's leaders how completion of these badges and awards should be evidenced.
