We are able to run more than one module at a meeting and we are usually able to run Module A so whatever you're missing, get in touch and we will try our best to accommodate you. We also provide support for the missions and scheme in general.

If you have any questions or require assistance outside of the monthly meetings then you are always welcome to contact Dan via:

southgate.explorers@gmail.com or by phone (07977 185981).
